

Strawberry Short Cut Cake

By Rose Anna Morin L'Heureux (1895-1984)

(Found in an old envelope of clippings in 2015)

Batter: 1 cup miniature marshmallows

2 cups (two 10 oz. pkgs) frozen, sliced strawberries in syrup, completely thawed

1 package (3 oz) strawberry flavored gelatin

2 ¼ cups flour (Rose identified Pillsbury but I suspect this recipe came from a flour package)

½ cup shortening (I recommend butter but Crisco is likely okay)

3 teaspoons of baking powder

½ teaspoon salt

1 cup milk

1 teaspoon vanilla

3 eggs

Preheat oven to 350 degrees F.

Lightly grease 13 x 9 inch cake pan.

Bake 45-50 minutes.
